## 2023 National Meet

The 2023 National Meet will be held July 21-23 in the Portland, Ore. area.

Saturday's get-together and car show will be at the Blue Lake Regional Park in Fairview, only 15 miles from downtown Portland. The 101-acre park, near the south shore of the Columbia River in Multnomah County, includes many covered and uncovered picnic areas, sports playing fields, and infrastructure related to lake recreation including swimming, boating, and fishing.

We are working on nearby accommodations, and will announce a list of suggested hotels shortly together with additional details.

We are excited to return to the Pacific Northwest again.

Please be sure to save the dates!
